

The officers of The Tennessee T's

President- Gary Tillstrom

Greetings fellow T's

I trust your new year came in peacefully. I know we have a number on the sick list and cards are always appreciated. Our sympathy to Anita Owen on the recent passing of her mother.

I'm guessing for most of you it has been too cold to get the T out. In this part of the state it has been too cold to do much of anything on the T either! Ya gotta love weather that supports the idea in sitting in the warm house doing nothing. It's really when I have to go out in it that I don't care for it.

There are tours planned for the year and I'm sure tours planned in your very own neighborhood that only you know about. Keep working on them and let us know what time and where to show up. One event that is currently in the works for spring is a T workshop. This is in the beginning stages but the plan is to re-bush a front end and check / adjust the alignment using laser. We have a few other ideas for projects floating around and as soon as something is firmed up it will go out to you all.

Stay warm, look forward to seeing you down the road. Gary

Secretary-Treasurer- Anita Owen

Due to the loss of her mother earlier this week, Anita has postponed her report until the next newsletter.

This is a repeat of the Dec 2013 report

DECEMBER 3, 2012.....	\$3,527.51
DEPOSITS 2013.....	\$ 813.50

Events

Waverly Weekend Spring Tour- update

Come join Mac & Ernestine Flowers, Lynn & Sue Cook, Tom & Joni Allison, George & June Ross and Larry & Carolyn Williams for a Waverly Weekend Spring tour.

We have 2 full days of touring planned, both slightly over 100 miles. We will visit a car museum, hopefully Loretta Lynn's ranch, ride the ferry across the Tennessee River, visit an Amish store but best of all will be the drive along beautiful Tennessee backroads in the springtime with good friends.

Host hotel:

Holiday Inn Express

15368 Highway 13 South
Hurricane Mills, TN 37078
931-296-2999

Ask for rooms blocked under the Tennessee T's.
Arrive Thursday, April 24th.

Tour Friday, April 25th and Saturday, April 26th.

If you can only make it for the Saturday tour the same rate applies at the hotel. We will plan the museum for Saturday.

Please let us know if you will be attending.

Call Larry or Carolyn at 931-296-3172 (you can leave a message)

Carolyn: 615-418-2110

Larry: 931-209-3500

email: barnbb@waverly.net

From the Swans:

Joyce and I are working on a plan of driving our T on a cross country trip to the Nova Scotia/eastern Canada area early this summer (first of June until...). If anyone wants to come along they will be welcomed. There will be no buzzard/rescue truck except AAA, MasterCard, & cell phones. There are no planned routes rules, or agenda except to get up each day and drive until we are tired of driving. The rules of the road will apply...get there and back safely. We will post more as we approach the departure time in early June.
